Dec 18, 2022

Merry Christmas and Happy New Year!

I hope all of you had a great Thanksgiving! The holidays are here and you know what that means. The 2023 high school baseball season is right around the corner. We are excited about getting back together and we are going to be busy in 2023. Now is the time to check your equipment and update the arbitersports availability. We are going to be utilizing a lot of the features of arbiter this year and that requires your blocks and start times to be updated.

This year we are going back to a more normal process for meetings. We will conduct four General Membership meetings and two clinics. There will be six events to choose from and you MUST attend three to be considered a member in good standings.

You will still need to complete the necessary requirements to be eligible by OSSAA standards. The OSSAA State meeting will be conducted online via Zoom. OSSAA Eligible Officials must register with the OSSAA and pass the test with at least a (75%). Instructions on how to register and take your test are provided in this packet. The OSSAA requires that all game officials view the free 20-minute video on concussions, "Concussion in Sports: What You Need to Know", located at the NFHS website, www.nfhslearn.com.

Dues are payable at <http://www.tulsaumpires.com/wp/registration/> Late Fee for Returning Members applies February 1st

We will have a new hat design this year. Details at the first meeting on January 11th
Umpire Fees have gone up for the 2023 season.

Varsity \$90

Scheduled 7 Sub Varsity - \$80

Scheduled 5 Sub Varsity - \$60

I look forward to seeing you soon.

Happy Holidays,

Terry Kimmel
